

**Statement from the Director of the Institute on the final report of the
Commission No. 6: Biochemistry and molecular cell biology, biophysics,
virology**

I thank commission No. 6, chaired by prof. Morten Kielland-Brand and deputy chairman prof. Jan Káš, for factual and favourable assessment of our teams and the entire Institute. The Commission's recommendations are already being addressed at the Institute.

Vestec, January 18, 2016

Assoc. Prof. Jana Peknicova, Ph.D.,

Director of the Institute
